WINEMAKERS AND FLY FISHERS EACH HONE THEIR ART WITH PATIENCE,
ACCUMULATED WISDOM AND A DEEP RESPECT FOR NATURE.

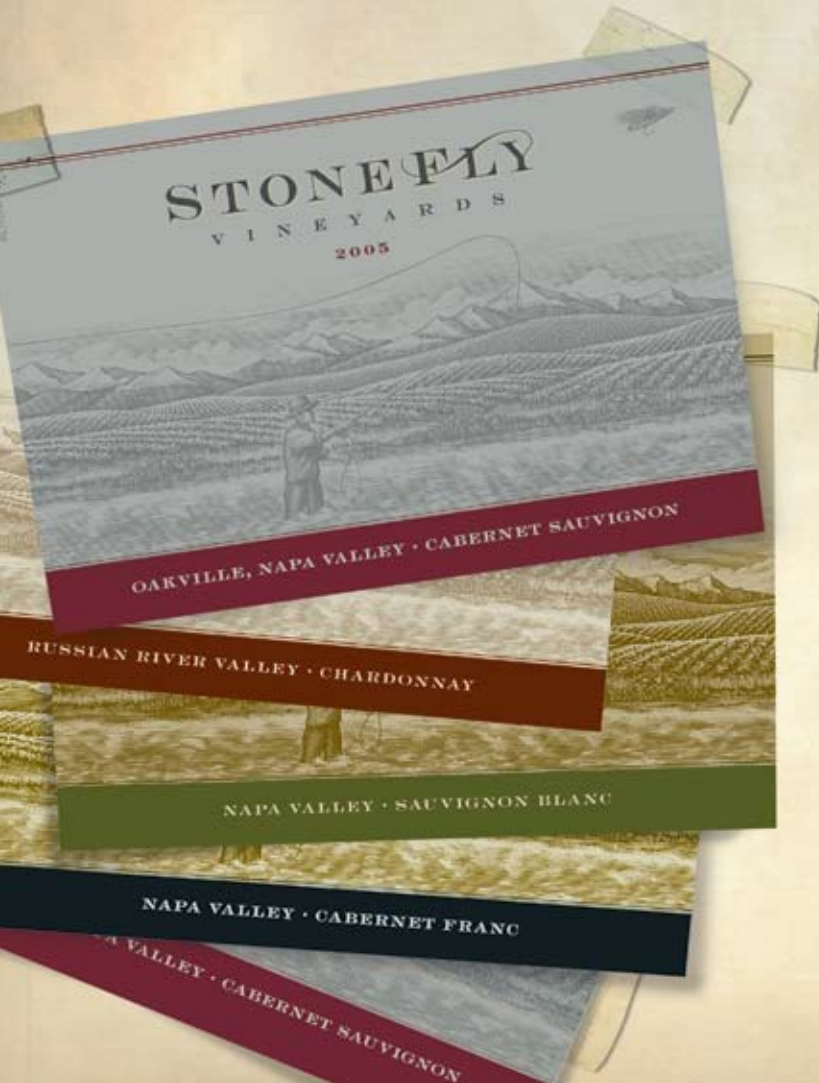

StoneFly Vineyards

StoneFly Vineyards is the culmination of shared passion for the timeless traditions of winemaking and fly fishing. Here, small lots of extraordinary wines from the renowned Napa Valley growing region are thoughtfully crafted. From our vineyards to your glass we are committed to sustainable practices and to stewarding the watersheds we call home. And for our customers and partner organizations we strive to offer unequalled quality and value.

OUR VINTNER HAS DEVOTED YEARS TO 'READING THE LANDSCAPES' OF NAPA VALLEY TO DELIVER WINES OF OUTSTANDING DEPTH, CHARACTER AND BALANCE.

Stone Fly Vintner

Like the fly fisher reading the water before each cast, we have committed our passion to cultivating a thoughtful understanding of the landscape and its opportunities. Those special opportunities harvested from our vineyards are artfully translated into wines of balance and character from each varietal.

THE CHARACTER OF EACH VINEYARD COMES TO LIFE
WITH EACH WINE POURED AND SAVORED.

The StoneFly Vineyards

Napa Valley's stature among the world's great wine growing regions is unparalleled. Our vineyards situated in the Napa Valley Watershed are found in the famed growing districts of Oakville, Atlas Peak and Mt. Veeder. The unique climate, terrain, and soil composition of each of these districts is expressed in fruit of remarkable complexity from each vineyard. Using a mindful approach to land stewardship, StoneFly Vineyards carefully selects only the choicest lots of each varietal for our wines.

OUR WINEMAKERS GUIDE THE PROCESS WITH AN UNCOMPROMISING
COMMITMENT TO EXCELLENCE AND AN ABSOLUTE PASSION FOR WHAT THEY DO.

StoneFly's Winemakers

There are many tributaries of skill and talent that join together to create wines of true excellence. Foremost is the vintner delivering on his promise of vineyard excellence to the winemaker. It is then the role of the winemaker to guide the process forward with uncompromising commitment to quality and excellence. StoneFly winemakers Marco DiGiulio and Zach Long provide a depth of knowledge and skill with deep roots in Napa Valley winemaking. Highly acclaimed for their efforts over many vintages, they share a true love for winemaking and have honed a down-to-earth style by placing their focus on the unique flavors and nuances of each new vintage.

DELIVERING ON OUR PROMISE REQUIRES THAT WE STEWARD NATURAL RESOURCES AND DO OUR PART TO GROW THE SPORT OF FLY FISHING FOR FUTURE GENERATIONS.

StoneFly & Service

Wine producers of vision and awareness must deliver on the promise of unyielding quality while at the same time contributing new value to the communities and environments where we do business. Our Director and Chief Fly Fishing Officer, Nick Papadopoulos, grew up fishing the coastal waters of Oregon and wading Montana's great rivers and streams. Through his work as StoneFly's CFFO, Nick combines this passion for fly fishing with acumen in business, natural resource management and community development.

OUR WINES ARE ALWAYS BEST WHEN SHARED WITH CLOSE FRIENDS AND FAMILY, AND FOND RECOLLECTIONS FROM YOUR DAYS SPENT OUT ON THE WATER.

VINEYARDS

“MORE THAN HALF THE INTENSE ENJOYMENT OF FLY FISHING IS DERIVED FROM THE BEAUTIFUL SURROUNDINGS, THE SATISFACTION FELT FROM BEING IN THE OPEN AIR, THE NEW LEASE OF LIFE SECURED THEREBY, AND THE MANY, MANY PLEASANT RECOLLECTIONS OF ALL ONE HAS SEEN, HEARD AND DONE.”

- Charles F. Orvis, 1883

“MANY MEN GO FISHING THEIR ENTIRE LIVES
WITHOUT KNOWING IT IS NOT FISH THEY ARE AFTER.”
