2006 Cabernet Franc Napa Valley

Our 2006 Napa Valley Cabernet Franc exhibits a dark, rich garnet color and a delicate essence of black cherry with hints of thyme and black pepper. You'll delight in the subtle cocoa accents to the dark cherry flavors as the wine opens up. Medium-bodied with supple tannins and a long, smooth finish reminiscent of the classic Chinons of the Loire Valley.

This beautiful Cabernet Franc is drinking well now, and it will continue to improve until 2011 with proper cellaring.
