

STONEFLY

VINEYARDS

2007 Chardonnay Russian River Valley

Our Chardonnay, with only 207 cases produced, is a historic first vintage for our winery. With grapes grown from the cooler, foggy vineyards of the Russian River Valley, winemakers Marco DiGiulio and Zach Long have taken great care in the winemaking process to ensure a perfectly balanced wine.

With bright aromatics of tangerine and apple, this wine offers the palate a smooth-yet-crisp blend of vanilla, Granny Smith apple and banana. With a mouthwatering finish, it practically begs to be paired with a Caesar salad, garden fresh fingerling potatoes and your seasonal catch of the day.
